Evaluation

MindTap Quizzes (20% of your grade in Total)

These assignments are located within the MindTap platform, and also directly linked in CourseDen under each Chapter. **Please follow the CourseDen links to access these quizzes.** These will be multiple choice format. Each MindTap quiz will allow you **3 attempts** and only the highest grade will be counted. You will have **60 minutes** to complete each attempt. Each quiz will be available until the due

date, but you will not be able to take the quiz after the due date passes (No exceptions on this! Please plan your quiz taking times accordingly).

There are 20 quizzes total, and each quiz is worth 5 points. The maximum amount of points that can be earned is 100 points, and this will translate to 20% of your final grade. After the due date for each quiz passes, you will be able to view the correct answers for each question. **MindTap quizzes are due on the dates specified in your Class Detailed Schedule.** You will also find several "Concept Checks" for each chapter inside MindTap. These assignments are **practice only and will not count toward your grade.** But they are a great way to learn!

Course Den Module Exams (60% of your grade in Total)

You will take one exam in CourseDen at the end of each course module (4 total). Each exam will consist of 25 multiple choice questions, and you will have only **ONE attempt per exam.** You will have 2 hours to complete each exam, and **you will not be able to take the exam after the due date passes.**

Once you begin a Module Exam, you MUST finish it within the 2 hours. If you log off or exit the exam before finishing the attempt, you will NOT be able to finish your test later!!!

Each Module Exam will be worth 20% of your final grade and the exam with the lowest score will be dropped. In other words, 3 Module Exams will be counted toward your final grade, for a total of 60% of your grade. **CourseDen Exams are due on the dates specified in your Class Detailed Schedule.**

Final Exam (20% of your grade in Total)

This course requires the completion of a cumulative Final Exam, to be taken IN PERSON. You MUST come to our usual classroom to take the Final Exam on the date/time specified in the Class Detailed Schedule. UWG ID may be checked prior to starting the Exam.

The Final Exam will consist of 40 multiple choice questions, and you will have 2 hours to complete the test. The final exam will be CUMULATIVE.

Extra Credit

Extra credit opportunities may or may not be available during the course. If they become available, at my discretion, they will be announced on CourseDen and will amount to a maximum of 2% of your final grade in the course.

Criteria

Final grades for this course will be assigned using this exact grade structure, i.e. final grades will not automatically be rounded up. For example, if a student earns 89% of the grade, then a final grade of "B" will be assigned for the course.

If you have questions or concerns regarding any grade in the course, including your final grade in the course, you **MUST** bring it to Professor Wofford's attention within 24 hours of the grade being posted in CourseDen. Grade related grievances that are not voiced on a timely manner as stated above will not be considered.

Breakdown

FINAL GRADE STRUCTURE:

90% - 100%	A
80% - 89%	B
70% - 79%	C
60% - 69%	D
< 60%	F

Honor Code

At the University of West Georgia, we believe that academic and personal integrity are based upon honesty, trust, fairness, respect, and responsibility. Students at West Georgia assume responsibility for upholding the honor code. West Georgia students pledge to refrain from engaging in acts that do not maintain academic and personal integrity. These include, but are not limited to, plagiarism, cheating, fabrication, aid of academic dishonesty, lying, bribery or threats, and stealing.

The University of West Georgia maintains and monitors a confidential Academic Dishonesty Tracking System. This database collects and reports patterns of repeated student violations across all the Colleges, the Ingram Library, and the School of Nursing. Each incidence of academic dishonesty is subject to review and consideration by the instructor, and is subject to a range of academic penalties including, but not limited to, failing the assignment and/or failing the course. Student conduct sanctions range from verbal warning to suspension or expulsion depending on the magnitude of the offense and/or number of offenses. The incident becomes part of the student's conduct record at UWG.

Additionally, the student is responsible for safeguarding his/her computer account. The student's account and network connection are for his/her individual use. A computer account is to be used only by the person to whom it has been issued. The student is responsible for all actions originating through his/her account or network connection. Students must not impersonate others or misrepresent or conceal their identities in electronic messages and actions. For more information on the University of West Georgia Honor Code, please visit the [Office of Community Standards](https://www.westga.edu/administration/vpsa/ocs/index.php) (<https://www.westga.edu/administration/vpsa/ocs/index.php>) site.

UWG Email Policy

University of West Georgia students are provided a MyUWG e-mail account. The University considers this account to be an official means of communication between the University and the student. The purpose of the official use of the student e-mail account is to provide an effective means of communicating important university related information to UWG students in a timely manner. It is the student's responsibility to check his or her email.

Credit Hour Policy

The University of West Georgia grants one semester hour of credit for work equivalent to a minimum of one hour (50 minutes) of in-class or other direct faculty instruction AND two hours of student work outside of class per week for approximately fifteen weeks. For each course, the course syllabus will document the amount of in-class (or other direct faculty instruction) and out-of-class work required to earn the credit hour(s) assigned to the course. Out-of-class work will include all forms of credit-bearing activity, including but not limited to assignments, readings, observations, and musical practice. Where available, the university grants academic credit for students who verify via competency-based testing, that they have accomplished the learning outcomes associated with a course that would normally meet the requirements outlined above (e.g. AP credit, CLEP, and departmental exams).

Course Policies

Late policy

All assignments, including the Final Exam, must be completed by the due date. Extensions will only be allowed due to technical issues with the Cengage MindTap platform (these exceptions will be noted in Course Den IF they arise).

CourseDen

You will need to access Course Den for this course. You can access Course Den from any computer that has Internet access, on or off campus. If you need help accessing Course Den you may contact the UWG Online helpdesk at 678-839-6248. Students will need to access Course Den for ALL course content, including any changes to the class schedule. **PLEASE CHECK COURSE DEN ANNOUNCEMENTS OFTEN!**

Expectations

Students should commit to logging into Course Den and MindTap a minimum of 4-5 times per week. There will be assignments due at the end of **every module** Make sure to read all the chapters assigned each week, watch all content videos, and **complete all related assignments by the due dates listed on CourseDen and the Class Detailed Schedule. Students should expect to spend at least 10-15 hours per week completing work for this class.**

Be an ACTIVE learner. Think about the course content as much as possible, and find ways to make it meaningful to you. Apply the concepts learned and relate them to your every-day life.

Remember WHY you are taking this class. It is important to earn the best grade possible, but you are here to learn. If you learn as much as possible, you will see this reflected on your grades.

COMMUNICATION IS KEY. This is especially important in an online class. Be proactive and please reach out to me as soon as questions or concerns arise.

I want you to do well in my class and I am here to help you be successful. However, please remember that **a lack of planning on your part does not constitute an emergency on my part.**

Communication

To talk with me during the online office hours, please send me an email to my UWG account to let me know you want to meet and we can do so in the Course Den chat room or talk on the phone or via e-mail. To schedule an appointment for online, in person or telephone office hours at another time, please email me and we will come up with a mutually agreeable date and time.

I prefer that you send your questions to my UWG email (swofford@westga.edu) instead of calling me, as I rarely check my voicemail. Also, **do not e-mail me from your personal e-mail** account unless it is an emergency. Always use your UWG account to communicate with me.

Expected Response Times

Students can expect responses to emails within 24 hours on weekdays and 48 hours on weekends. If you do not hear back from me within this time frame, please re-send your e-mail. I also expect a similar response time from you.
